Back Up Agenda

I have spoken with Mr. Markland and posted the agenda as follows. The purpose of the meeting will be to decide if the District/Board of Education should interview potential firm(s) for the Superintendent Search or conduct the search process by the GP Board of Education.

The meeting will in open session. Also, if you do decide to go the search firm route it would be prudent to select some potential dates to “interview” those folks (that are open in your schedule/planners). Once that date is secured, I am happy to contact the firms and schedule them on your behalf. I can also take care of the logistics side of the meeting if desired. In addition, if you select to do this on an evening I can ensure that there is “dinner” for you similar to interviewing potential board candidates.
